

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 844-552-7805.

For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>In-network <a href="#">providers</a> under Basic <a href="#">Plan</a>: \$2,500/individual or \$5,000/family                      Out-of-network <a href="#">providers</a> under Basic <a href="#">Plan</a>: \$5,000/individual                      Does not apply to the Critical Illness Benefit.</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">Plan</a> begins to pay. If you have other family members on the <a href="#">Plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Preventive care</a>, Critical Illness, Convalescent/Custodial Care, Nursing Home, Assisted Living Facilities and <a href="#">Home Health Care</a> benefits are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">Plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">Plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>In-network <a href="#">providers</a> under Basic <a href="#">Plan</a>: \$2,500/individual, \$5,000/family; Out-of-network <a href="#">providers</a> under Basic <a href="#">Plan</a>: No limit</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services involving essential health benefits. If you have other family members in this <a href="#">Plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>, <a href="#">balance-billing</a> charges, health care this <a href="#">plan</a> doesn't cover, non-essential health benefits including private duty nursing, custodial care in a skilled nursing facility, and care in a convalescent home, custodial care facility, nursing home, or assisted living facility, expenses for services from out-of-network <a href="#">providers</a> under your Basic <a href="#">Plan</a>, and failure to obtain pre-authorization under your Basic <a href="#">Plan</a>.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>

<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes. See the website for your Basic <a href="#">Plan</a> or call your Basic Plan for a list of its in-network <a href="#">providers</a>.</p>	<p>You will pay less if you use a <a href="#">provider</a> who is in-network under your Basic <a href="#">Plan</a>. You will pay the most if you use an out-of-network <a href="#">provider</a> under your Basic <a href="#">Plan</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your Basic <a href="#">Plan</a> pays (<a href="#">balance billing</a>). Be aware your network <a href="#">provider</a> might use an out-of-network <a href="#">provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>
<p><b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b></p>	<p>Yes</p>	<p>If a referral is required by your Basic <a href="#">Plan</a>, this <a href="#">Plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a>.</p>
<p> All <a href="#">copayment</a> and <a href="#">coinsurance</a> costs shown in this chart are after your <a href="#">deductible</a> has been met, if a <a href="#">deductible</a> applies.</p>

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
