Termination of Trustmark Universal Life/LifeEvents Insurance

The Universal Life/LifeEvents Insurance program with Convalescent Care Benefit (plus YourCare360 Care Planning Services) from Trustmark Insurance Company of New York became available to eligible NYSUT in-service and retiree members in May 2023.

However, effective December 7, 2024, the endorsement relationship between NYSUT Member Benefits and Trustmark ended; new applications were not accepted after November 1, 2024.

The approximately 250 NYSUT members that had been participating in the program can maintain their coverage through Trustmark. Information about this change was mailed to current plan participants.

Sincerely,

Board of Trustees
