Dear Colleagues:

You will find in this brochure information about the programs & services endorsed by NYSUT Member Benefits; brief descriptions of the NYSUT Member Benefits Trust and NYSUT Member Benefits Corporation; and details about our endorsement process and endorsement arrangements.

For more than 30 years, Member Benefits has been proudly offering NYSUT members a variety of quality, endorsed insurance, financial, legal, and shopping & travel programs.

By building on the group buying power of more than 600,000 members, we're able to endorse competitively priced products and services.

Many of our endorsed plans feature a "free look" trial period -- giving you ample time to review your new plan. If not completely satisfied, you can return your certificate of coverage within the allotted time frame and any money you've paid or had deducted will be refunded in full -- no questions asked.

To request more information, please contact Member Benefits at **800-626-8101** or use the convenient information request form at ***memberbenefits.nysut.org***.

We look forward to serving your benefit needs!

In solidarity,

A handwritten signature in black ink that reads "Martin Messner". The signature is fluid and cursive.

Martin Messner

Chairperson, NYSUT Member Benefits Trust

NYSUT Member Benefits

The **NYSUT Member Benefits Trust** was established in 1983. It is a tax-exempt, not-for-profit trust fund created for the purpose of endorsing and monitoring quality, competitive insurance plans and benefit programs. These programs and services are available to NYSUT members and agency fee payers; some are also available to or cover family members.

In 2008, the Trustees of the NYSUT Member Benefits Trust established the **NYSUT Member Benefits Corporation**. This for-profit subsidiary was created to expand the types of programs and services offered to NYSUT members.

Endorsement Process & Arrangements

NYSUT Member Benefits' endorsement process is thorough and comprehensive. In the early stages of a program's development, Member Benefits taps into its staff of experienced professionals, the Trust's Board of Trustees, the Corporation's Board of Directors, and independent benefit consultants to aid in program design and provider research.

Once a program is granted endorsement by NYSUT Member Benefits, staff and consultants carefully monitor the program for participation, member satisfaction, utilization, product competitiveness, and financial health. Several times each year, we meet with providers of endorsed programs to discuss the program and negotiate for improvements and enhancements.

No NYSUT dues dollars pay for any Member Benefits operating expenses. Member Benefits receives funds to cover operating expenses from negotiated endorsement arrangements (including, in some cases, a percentage of premiums paid) with some of the carriers who provide these benefit programs to members.

Specific information pertaining to these endorsement arrangements is included in the communications materials and application or enrollment forms for each program that has such an arrangement in place. This information can also be found on the Member Benefits website at *memberbenefits.nysut.org*.

These endorsement arrangements are used solely to defray the costs of administering the benefit programs of Member Benefits, including compensation, rent, office expenses, and the cost of retaining consultants, auditors and attorneys to advise the Trustees, Directors and staff. Where appropriate, Member Benefits revenue is also used to enhance the benefit programs for participants.

Just as no NYSUT dues dollars are used to support Member Benefits in any way, no endorsement dollars received by Member Benefits are paid to NYSUT except reimbursement for use of facilities and for services and personnel provided by NYSUT to, and at the request of, Member Benefits (the reasonableness of which amounts are certified annually to the Trustees and Directors by Member Benefits' independent auditors).

Keep in mind that Member Benefits does not represent that each endorsed benefit program is the lowest-cost product for a particular program.

While Member Benefits Trustees, Directors, staff, consultants, and advisers endeavor continuously to obtain and maintain quality benefit programs at competitive prices, we encourage you to shop and compare.

Although some of these endorsed programs may provide legal or financial advice, Member Benefits does not offer investment, legal or tax advice. You are urged to consult your own investment, financial, tax, and legal advisers to help you with an evaluation of the benefit programs.

New Members

As a new NYSUT member, you will receive a special welcome flyer from NYSUT Member Benefits. The flyer includes information about the endorsed programs & services available to NYSUT members. You may also be entitled to up to \$25,000 of term life insurance for a one-year period.

MAP - Member Alert Program

Join the MAP (Member Alert Program) Alert email service. Just as maps provide direction, MAP Alert members assist Member Benefits and vice versa. The MAP Alert service is an easy, convenient way to stay informed about NYSUT Member Benefits-endorsed programs & services.

To join, use the secure sign-up form on our website. MAP Alerts are sent approximately once every three weeks.

The Payroll & Pension Advantage

Payroll deduction of NYSUT Member Benefits-endorsed programs is available in local associations that have made the necessary arrangements for this payment option.

Pension deduction of NYSUT Member Benefits-endorsed programs is available to retirees who are collecting a monthly pension benefit from the New York State Teachers' Retirement System,

New York State Employees' Retirement System, New York City Teachers' Retirement System, or New York City Board of Education Retirement System, or who are receiving income from a monthly lifetime annuity from TIAA-CREF.

With payroll and pension deduction, you gain the advantage of convenience. No checks need to be written; no payment due dates need to be remembered. Premiums are divided into even amounts and automatically deducted from paychecks or pension benefits. *It's that easy!*

What's more, all of the programs listed in this brochure with the Payroll/Pension logo  can be purchased through payroll or pension deduction. Most of these programs offer reduced premiums, elimination of service fees or additional coverage provided at no cost. **It's truly the Payroll/Pension Advantage!**

MPP - My Program Participation

This online feature allows you to review all of the Member Benefits-endorsed voluntary insurance, financial and legal programs that you currently participate in.

You'll see the payment methods you are eligible to use, the payment method you are actually using (payroll/pension deduction or direct bill), deduction amounts if applicable, and contact information for the vendors. If the vendor provides other information to Member Benefits, such as premium amounts and coverage information, that will be available to you as well.

This information is housed in a password-protected area of the Member Benefits website. Visit memberbenefits.nysut.org, click on "Login to My NYSUT" in the upper lefthand corner of the page and follow the simple instructions to activate your account.

Insurance Benefits

Term Life Insurance

Members and their lawful spouses (or certified domestic partners) under age 85 may apply. The program offers up to \$1 million of group-rated term life insurance for applicants up to age 65.

If you are between the ages of 65 and 84, you are eligible to apply for, or continue with, up to \$30,000 in coverage, depending on your current age.

At age 65, benefits decrease; at age 70, coverage is limited to \$20,000 or less. One low premium covers all of your dependent children under the age of 23. An accelerated death benefit is available for terminally ill insureds up to age 70.

Upon your death, this plan provides the option of any of your beneficiaries to enroll in the NYSUT Member Benefits Corporation-endorsed Financial Counseling Program at no cost. Also, in the event that you have been diagnosed as terminally ill with a life expectancy of 12 months or less, you may enroll in the Financial Counseling Program at no cost.

This benefit offers objective, professional, unbiased advice from financial planners who do not sell any financial products. Upon receipt of a death claim, a notice will be sent to your beneficiary(ies) offering enrollment in this program at no cost.

The Payroll & Pension Advantage: Save 15% on annual premium.

For more information, call toll-free 888-386-9788.

Underwritten by The United States Life Insurance Company in the City of New York and administered by Mercer Consumer.

Level Term Life Insurance

Level Term Life Insurance is life insurance that is in force for a time period that you select -- either 10, 15 or 20 years. Your individual premium is scheduled to remain the same during the term period. The insurance company does reserve the right to change premium rates, but may only do so for all insureds covered under the group policy.

In addition, your coverage will not decrease during the term period.

You or your spouse or certified domestic partner can apply for coverage up to \$1 million. Your age determines the length of coverage that you may apply for under the plan. Applicants must be under age 55 to be eligible for the 20-year plan, under age 60 for the 15-year plan and under age 65 for the 10-year plan.

Upon your death, this plan provides the option of any of your beneficiaries to enroll in the NYSUT Member Benefits Corporation-endorsed Financial Counseling Program at no cost. Also, in the event that you have been diagnosed as terminally ill with a life expectancy of 12 months or less, you may enroll in the Financial Counseling Program at no cost.

This benefit offers objective, professional, unbiased advice from financial planners who do not sell any financial products. Upon receipt of a death claim, a notice will be sent to your beneficiary(ies) offering enrollment in this program at no cost.

The Payroll & Pension Advantage: Save 15% on annual premium.

For more information, call toll-free 888-386-9788.

This program allows you to purchase life insurance coverage that increases as your term life coverage decreases or terminates. Premiums may be set at a level to produce as much or as little accumulation cash value at age 95 as may be desired.

If you have no existing term life insurance, you may apply for a level benefit amount of WrapPlan coverage. To apply, you must be age 70 or under, and reside or work in New York state. Retirees who are not New York residents may be eligible.

Catastrophe Major Medical Plan

On January 1, 2014, the Catastrophe Major Medical (CMM) Plan was transitioned to a self-insured arrangement sponsored by the NYSUT Member Benefits Trust. Mercer Consumer remains the CMM Plan Administrator.

High deductible plans and care not covered by your basic health plan or Medicare can become a financial burden. Your basic medical insurance is designed to take care of basic medical costs... but what about home health care, nursing/convalescent home costs, prescription drug costs, or co-payments for numerous physician visits for a major illness?

After the plan's deductible has been met, this plan will provide benefits for eligible expenses or reimburse your out-of-pocket costs that your basic plan(s) may not fully cover.

The CMM Plan is considered a grandfathered health care program under health care reform and remains closed to new applicants. The NYSUT Member Benefits Trust is reviewing the possibility of adding new enrollees (both in-service members and retirees) in the future.

Please check the Member Benefits website for further updates.

The Payroll & Pension Advantage: Save 10% on premiums.

Long-Term Care Insurance

The NYSUT Member Benefits Trust has endorsed a long-term care program through New York Long-Term Care Brokers that is available to NYSUT members and their families.

NYLTCB is a nationally-recognized insurance intermediary that offers access to discounted long-term care insurance plans from multiple highly-rated insurance companies (including the New York State Partnership for Long-Term Care) for eligible individuals from 18 to 84 years old.

With NYLTCB, eligible individuals get a long-term care insurance plan designed with their specific needs in mind. And with the discount provided to NYSUT members (along with marital/domestic partnership discounts and potential Preferred Health discounts), this important protection can be far more affordable than you may assume.

For more information, call toll-free 888-884-0077.

Administered by New York Long-Term Care Brokers.

Please note that existing long-term care insurance policies with Metropolitan Life Insurance Company in effect prior to Dec. 31, 2011 will continue to be honored subject to timely premium payment and relevant policy provisions.

Vision Plan

The plan's benefits include an annual eye exam and one pair of eyeglasses. Choose glass or plastic lenses in single vision, bifocal or trifocal and more than 220 frames with no co-pay.

Many types of lenses and coatings are included. A few options are available with discounted co-payments. Contact lenses are available in lieu of eyeglasses. Plan eyeglasses come with a one-year unconditional warranty.

You may receive services from an out-of-network provider; however, maximum benefit is received when using an in-network provider. Individual or family coverage is available. The plan year runs from Jan. 1 through Dec. 31.

For more information, call 800-626-8101.

Provided by Davis Vision.

Dental Plan

This plan pays benefits for preventive, restorative and major restorative services. Members have the choice of using a participating dentist or going out-of-network. Generally, greatest benefits are received and least out-of-pocket expenses are incurred when participating dentists are used.

The plan features more than 158,000 participating dentists throughout the country. Members may add coverage for spouses or certified domestic partners, and for unmarried, dependent children through the end of the month of their 23rd birthday.

The Payroll & Pension Advantage: The service fee per billing cycle will be waived. Amount of service fee is dependent upon billing cycle selected.

For more information, call toll-free 888-883-0046.

Provided by Metropolitan Life Insurance Company.

Veterinary Pet Insurance

This program offers a variety of coverage options for dogs, cats, birds, and exotic pets. NYSUT members receive a 5% group discount on Veterinary Pet Insurance services and up to a 15% discount if multiple pets in a household are enrolled.

Pets under the age of 10 are eligible for coverage, and medical plans provide benefits for accidents and illnesses. With a Veterinary Pet Insurance policy, you can visit any licensed veterinarian in the world.

Veterinary Pet Insurance offers an easy claim submission process with a prompt turnaround for the majority of reimbursements.

For an annual fee, this plan offers legal assistance for personal matters. One of the most widely used aspects of the legal plan is toll-free legal advice.

If your matter can't be resolved over the phone or with a legal letter written on your behalf, you will be referred to a participating referral attorney in your area. These attorneys have agreed to charge reduced rates for NYSUT members.

The plan also offers two, free, hour-long office consultations; a Legal Security Package that includes forms for a Simple Will, Health Care Proxy, Living Will, and Power of Attorney; and guaranteed maximum fees for a number of personal legal matters.

Optional riders for Business Protection with new enhancements and Elder Law services can be purchased to provide additional legal coverage.

who has no underlying motives and wants to help you with your particular situation? Now you can!

In-person consultations will be available at least once per calendar year at each NYSUT Regional Office as well as at the provider's New York City office. The financial planner/advisor neither sells insurance or investment products nor receives commissions.

You can request customized written summaries and reports on a variety of financial issues. Specific 403(b) advice is also included in the program. Other benefits include access to the provider's password-protected website and a 24-hour email helpdesk for basic financial questions.

In addition to the full-service program, a **403(b) Limited Financial Counseling Program** is available that includes toll-free phone consultations to discuss 403(b) programs only (with a six-hour limitation).

The Payroll & Pension Advantage: Save \$10 on the annual fee.

American Solar Partners

The Solar Solidarity Program from American Solar Partners offers NYSUT members the opportunity to reduce their utility bill and improve the value of their home by installing a solar power system. American Solar Partners has been designing, supplying and installing solar power systems for more than 10 years -- installing hundreds of systems during that time. The company uses American-made solar modules and works with union installation contractors (IBEW) only.

The average solar power system can save NYSUT members from \$1,000 to \$2,000 per year on utility costs and improve their home's value by an average of \$30,000. All systems from American Solar Partners come with long equipment warranties; an Internet-based monitoring system to track output (kWh) and savings; and are grid-tied so that members have power when the sun goes down in the evening.

NYSUT members can own a solar power system with no money out of pocket; state & federal grants along with tax credits normally cover about two-thirds of the cost of a system while the balance can be financed with a low-cost (3.49%) loan. And NYSUT members also receive a 10% to 15% discount from American Solar Partners on current market prices.
