

Dear Group Catastrophe Major Medical Plan Participant:

Enclosed is your 2020 Summary of Benefits and Coverage (SBC) for your Catastrophe Major Medical (CMM) Plan sponsored by the NYSUT Member Benefits Catastrophe Major Medical Insurance Trust. A Glossary of Health Coverage and Medical Terms is available by visiting the NYSUT Member Benefits website at *memberbenefits.nysut.org* and clicking on "Groups/Locals/Funds," then "Programs for Groups" and then "Group Catastrophe Major Medical Plan." This Glossary is also available in paper form at no charge upon request by contacting NYSUT Member Benefits at **800-626-8101**. Both documents are being issued in accordance with requirements under the Patient Protection and Affordable Care Act (ACA).

The federal government developed the SBC primarily to assist those individuals looking to purchase individual coverage in the marketplace/exchange that opened in October 2013.

The ACA has strict requirements for producing the SBC, including a maximum number of pages, font size, colors, etc. This document was designed so that individuals can use an "apples to apples" comparison when looking at various plans; therefore, we are unable to customize this document.

The Glossary of Health Coverage and Medical Terms provides definitions on a variety of common medical terms. If you have specific questions regarding your benefits under the CMM Plan, please refer to your Plan Document. To more comprehensively evaluate your insurance coverage, we recommend that you review the Summary of Benefits and Coverage for both your basic plan(s) and this plan simultaneously.

If you have any questions regarding your CMM Plan and how it supplements your basic health plan(s), please contact the NYSUT Member Benefits CMM Insurance Trust at **800-626-8101**.

Sincerely, Plan Administrator The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-626-8101. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform or call 800-626-8101</u> to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>In-network providers</u> under Basic <u>Plan</u> : \$2,500/individual or \$5,000/family <u>Out-of-network providers</u> under Basic <u>Plan</u> : \$5,000/individual Does not apply to the Critical Illness Benefit.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>Plan</u> begins to pay. If you have other family members on the <u>Plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. <u>Preventive care</u> , Critical Illness, Convalescent/Custodial Care, Nursing Home, Assisted Living Facilities and Home Health Care benefits are covered before you meet your <u>deductible</u> .	This <u>Plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>Plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	<u>In-network providers</u> under Basic <u>Plan</u> : \$8,150/individual, \$16,300/family; <u>Out-of-network providers</u> under Basic <u>Plan</u> : None	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>Plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover, non-essential health benefits including private duty nursing, custodial care in a skilled nursing facility, and care in a convalescent home, custodial care facility, nursing home, or assisted living facility, expenses for services from <u>out-of-network providers</u> under your Basic <u>Plan</u> , and failure to obtain pre-authorization under your Basic <u>Plan</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See the website for your Basic <u>Plan</u> or call them for a list of <u>network providers</u> .	You will pay less if you use a <u>provider</u> who is <u>in-network</u> under your Basic <u>Plan</u> . You will pay the most if you use an <u>out-of-network provider</u> under your Basic <u>Plan</u> , and you might receive a bill from a <u>provider</u> for the difference between the

		<u>provider's</u> charge and what your Basic <u>Plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?		If a referral is required by your Basic <u>Plan</u> , this <u>Plan</u> will pay some or all of the
	Yes	costs to see a specialist for covered services but only if you have a <u>referral</u>
		before you see the <u>specialist.</u>

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
